---

A powerful leadership communicator and best-selling author, Andy Stanley is considered one of the most influential speakers in America. He is the author of 20-plus books, including *Deep & Wide*; *When Work & Family Collide*; *Visioneering*; and *Next Generation Leader*.

In the digital world, his success reaches well beyond the Atlanta area. Each month, nearly 1.5 million of his messages, leadership videos, and podcasts are accessed from North Point's website.

In 2012, *Your Move with Andy Stanley* premiered on NBC after *Saturday Night Live*, giving Andy an even wider audience with which to share his culturally relevant, practical insights for life and leadership. Currently, over six million episodes are viewed each month through television and podcast, underscoring his impact not only as a communicator but also as an influencer of culture.

But nothing is as personal as his passion for engaging with live audiences, which he has pursued for over two decades, speaking at leadership events around the world. In high demand, he speaks to nearly 200,000 people at various annual events before audiences of both church and organizational leaders.

Andy and his wife, Sandra, have three grown children and live near Atlanta.
